WHAT IS THE VA LONG-TERM CARE PENSION?

Wartime Veterans or Surviving Spouses needing in-home care or assisted living

The VA Improved Pension was established to provide financial assistance to veterans and their spouses. It allows them to live their lives in dignity and able to afford basic care needs.

This benefit is NOT dependent upon service-related injuries. It helps cover the cost of qualified unreimbursed medical expenses for in-home, assisted living and skilled nursing care.

Though the pension has been available for decades, most veterans and their families have never heard about it, or have not been given guidance on how to qualify. Although the VA considers income and assets when approving an application, planning tools are available to qualify without first spending down assets.

“RICHARD LITTORNO IS HONEST, KNOWLEDGEABLE, POLISHED AND A TRUE PROFESSIONAL.” – RUSS W.

How do I Qualify?

- Veteran served at least ninety (90) days of active duty with one (1) day during a qualified war period
- Veteran did not receive dishonorable discharge
- Claimant is over the age of 65 or totally disabled and unemployable, requiring assistance with activities of daily living
- Claimant is a widow of a qualified veteran and has not remarried

Claimant's monthly unreimbursed care expenses exceed monthly income

FROM OUR FAMILY TO YOURS

The Littorno Law Group is a family-owned firm. We appreciate the importance of long-term care benefits from personal experience. Our Grandmother (at left) and Grandfather (at right) were able to receive the care they required, on a limited income, due to their VA and long-term benefits. It gives us great pleasure to help families in planning for their loved one's care.

WE ARE A VA ACCREDITED LAW FIRM OFFERING:

- Over thirty years of experience in trust, probate, tax, real estate and benefit planning
- In-house preparation of all VA applications, trusts, real estate deeds, tax forms and other necessary documents
- Specialized Federal and California tax expertise regarding IRA's, annuities, real estate and other assets
